TOP NOTCH "Code of Ethics"

TOP NOTCH is committed to serving you, our customer, with professional automotive repair at a reasonable cost with qualified technicians. We use quality Auto Parts. We stand on sound business principles and uphold high ethical standards. Our goal is to make your automotive repair experience friendly and successful.

TOP NOTCH "Mission Statement"

- Recommend corrective and maintenance services and explain to the customer which of these are required now to correct existing problems and which are for preventative maintenance.
- Offer customer a price estimate for the work to be performed.
- Obtain prior authorization for all work done, in writing or by other means satisfactory to the customer.
- Make every effort to keep customers informed about appointments and completion deadlines.
- Furnish an itemized invoice for parts and services, priced fairly, which clearly identifies any used or re-manufactured parts. Replaced parts may be inspected upon request.
- Furnish or post copies of any warranties covering parts, or services.
- Exercise reasonable care for the customer's property while it is being serviced.
- Attempt to fix the customer's vehicle right the "first time".
- Maintain a system for fair settlement of customer's complaints.
- Cooperate with established consumer complaint mediation activities.
- Uphold the high standards of our profession and seek to correct any or all abuses within the automotive industry.
